RRCA NATIONAL SALE TO BE HELD NOV. 4TH

Planning is currently underway for this annual event, which provides an opportunity to showcase our breed and your program to a national audience. Please find the attached consignment information and form, and contact us with any questions about consigning or purchasing at this event. For the first time this year, we will offer a live broadcast and online bidding through www.dvauction.com, so even if you can't attend we hope you can join us online.

RRCA EPDS & PERFORMANCE DATA

We are looking forward to the first RRCA National Cattle Evaluation in many years. We will be posting deadlines for performance data submission as well as forms to submit data on the website in the coming days. So, start rounding up your birth, weaning, and yearling weights in preparation for this exciting step forward. You'll also need sire and dam identity as well as birth dates, and the dates for the weights you submit.

NEW WEBSITE LAUNCHED

Be sure to visit our new site at www.romagnola.net, a great online resource for finding RRCA breeders, learning more about the breed, and keeping up to date with our latest news. Included in this site is a searchable membership database which includes all current RRCA members. Please take a moment to check your listing to ensure its accuracy, and feel free to contribute your website, email, logo or a picture to be included in this directory. Any edits or changes can be sent to help@romagnola.net or can be made by calling our office at (913) 594-1080.

In addition to the membership directory, we are also offering a **Cattle for Sale** section of the website. These listings are free for RRCA members, so please email cattle information, pictures and videos to have a listing posted. We will

edit videos as a free service, if you have raw footage please contact brett@beefcenter.org or (785) 633-5512. These postings will also be promoted on our Facebook page at <https://www.facebook.com/romagnolaandromangus/>, so be sure to log in and click "Like" to keep in touch with the association and share your cattle pictures and information.

SPECIAL RRCA ANIMAL REGISTRATION OFFER

Through the month of June, we have a special offer for those registering cattle-all animals of any age can be registered for just \$30/animal. Take advantage of this offer by downloading registration forms at www.romagnola.net under the **Membership and Registration Forms** portion of the site. Please be sure have these emailed or postmarked by July 1st to qualify for this special pricing.

ROMAGNOLA PHOTOS

We want to see your cattle! Send us your photos to be featured on the website and Facebook page-be sure to include their sire and any other details or descriptions so we can feature your breeding program to RRCA members and those looking for Romagnola genetics. If you are currently marketing embryos or semen, this is a great way to promote those offerings as well.
